

PROVINCIAL GRAND LODGE OF MIDDLESEX

R.W. Bro. H.R.H. Prince Michael of Kent, *GCVO*, Provincial Grand Master

THIS LETTER IS BEING SENT TO EVERY LODGE SECRETARY MEETING AT TWICKENHAM

02 August 2018

Dear Bro. Secretary,

I hope that by now you have heard about the “Discover Freemasonry” Seminar which is being launched at the Twickenham Masonic Centre on Wednesday 19 September, registration at 19.00 with the presentations starting at 19.30. A detailed Agenda for the evening is attached with this letter.

Our goal is to increase our membership from a defined radius surrounding our 5 masonic centres. We have already started to advertise the seminar using geographically targeted social media and the results have been very encouraging – over 50 people have signed up including several women.

The Seminar Team have completely modernised the presentation to make it more relevant to our target audience which includes ample time for Q&A sessions in the temple as well as after the presentations in a more informal setting.

Our speakers for this launch event are Omaid Hiwaizi – Provincial Communications Officer, Daniel Graham - digital team leader on the Provincial Communications Committee, Michael Karn - 3rd ProvGPrin & Prestonian Lecturer, Nigel Harris-Cooksley – Provincial Membership Officer and Nigel Codron, APM/Chairman of the PCC together with a group of young Master Masons who will share their early masonic experience with the audience. I have also invited Christine Chapman, MW Grand Master of the HFAF to attend to answer questions from the female attendees.

What do we need from you? We are asking your Lodge to bring along any potential initiates that your members have in mind, as this will be a perfect way to introduce them to freemasonry in Middlesex.

Please note that existing masons may only attend if they are bringing a candidate.

Please register on the website using this link; <https://pglm.org.uk/discoverfreemasonry/>

We look forward to welcoming a representation from your Lodge

Yours sincerely & fraternally

Nigel Codron
