## PROVINCIAL MENTORING SEMINAR

**9.30 a.m. on Saturday 6<sup>th</sup> October 2018 at Twickenham District Masonic Centre**

Dear Brother Secretary/Companion Scribe E,

As you are no doubt aware, Mentoring is a critical element in the development and retention of all new members and, if sympathetically applied, will considerably enhance each candidate's enjoyment of their membership. The Province strongly recommends that all active Lodges appoint a member to the office of Lodge Mentor. Some 350 Mentors and interested brethren have already attended previous seminars and are participating in the scheme. Access to general mentoring information can be gained via the Provincial Website "[www.pglm.org.uk](http://www.pglm.org.uk)".

I have much pleasure in inviting you, the Lodge/Chapter Mentor and all with an interest in mentoring to attend the next Provincial Mentoring Seminar. This seminar is meant to offer useful ideas about ways of mentoring new members, to learn from your experiences of mentoring in your Lodge and to share feedback. I especially welcome delegates who are new to mentoring and those from Lodges/Chapters which have not sent representatives to previous seminars. Delegates attending for the first time will be presented with a Middlesex Mentors Certificate at a later date.

**The Mentoring Seminar will be held at Twickenham District Masonic Centre on Saturday 6th October 2018. The meeting will start at 10.00 a.m. with registration and coffee from 9.30 a.m. It will finish at about 12.30 p.m.**

I am aware that the Mentoring Seminar might well take place before your next regular Lodge/Chapter meeting. I would therefore ask if you could bring details of this seminar to the attention of those Brethren/Companions of your Lodge/Chapter who have an interest in mentoring, either by telephone or e-mail.

Please complete the slip below and return to Andrew Elliott, Provincial Mentor, at the address given, as soon as possible.

I look forward to seeing you at the seminar.

Yours sincerely and fraternally,

*Paul J. Huggins*
